2016 Papa John's Bowl Matchup

Slick Nicholas vs Baby Centipedes

A Rematch of the 2015 Championship Game — Baby Centipedes & Slick Nicholas have tough years following their seasons that went the distance. **Slick Nicks** had a Championship hangover from the start, losing their 1st three

games. They went back-n-forth all year but in the end unable to defend their Championship as they miss the playoffs for the first time in 6 seasons. **Baby Centipedes** played angry & hungry to get back to the playoffs. They started 7-1 in position to coast into the playoffs as the favorite... And then catastrophe. Centipedes lost 5 straight to end the season. Including in Week 13 vs these very Slick Nicks 125-101 in a match where a win would have clinched a playoff berth for Baby Centipedes.

- Slick Nicholas making 1st ever Bowl appearance
- Baby Centipedes 2nd Papa Johns Bowl (1-1)

Gotta think 7 wins is good enough to get into the playoffs

KFC, Baby Centipedes in great spot

Mamba, Bandits would love another win or two

KFC joins Centipedes at 1–0 to open season.

Slick Nicholas scores 123 in loss. Does that qualify for Championship hangover?

Papa John's Bowl History

PAPA JOHNS BOWL VI (2016):

Papa Nick Gets a Slick Win Over Centipedes

A Championship Game rematch between Slick Nicholas & Baby Centipedes had a similar outcome as the Nicks get the better of the Centipedes yet again. After starting 7-1 Baby Centipedes miss the playoffs and lost their bowl game to Slick Nicholas — making their 1st ever bowl appearance after 5 straight playoff runs. Led by Tom Brady, Papa Nick trashed the Centipedes 106-48

PAPA JOHNS BOWL V (2015):

Darf Box blasts Finger Blasters – Claim bragging rights in Consolation Bowl

Twas a disappointing end to the season for these teams having narrowly missed a playoff berth. Resulting in a bittersweet bowl bashing as Darf Box destroy the Finger Blasters behind Fitzpatrick, DeAngelo Darf Box, Lacy & Baldwin... Pick any 3, they outscored the entire Blasters team. Darf Box gets the rubber match & the hardware as these teams split match-ups in the regular season, effectively blocking each other from the playoffs. Darf Box becomes a 2-time Papa Johns winner, previously winning PJB2.

PAPA JOHNS BOWL IV (2014):

Centipedes Finally Win Something

Baby Centipedes vs MDHB — Baby Centipedes played like they had nothing to lose (because they already lost it all in W13). They suffocate My Ditka in Her Butkus's first bowl game by score of 77-68. "TD" TY Hilton led the team with 25 points. Perhaps Hilton's greatest accomplishment was not scoring the GW TD in the PJ Bowl – rather it was the GW TD vs the Browns forcing Hoyer out & Manziel in.

PAPA JOHNS BOWL III (2013):

BEER Completes Bowl Trifecta!

Team BEER v Darf Box — Team BEER becomes the first team to win every bowl game (including championship) as they route Darf Box 128 - 106. Drew Brees & Josh Gordon lead the quest for pizza. Darf Box made all the right moves but was unable to defend the PJ Bowl title despite a goose-egg from the BEER Flex.

PAPA JOHNS BOWL II (2012):

Birds kill Dead Birds

Darf Box defeats Dead Birds

NFL-high 44 points for the Seahawks DST felt like 47 for Darf Box with the Texans (-3) for the Dead Birds. Darf Box denied Dead Birds a repeat despite just 14 points from [#1](#) overall pick Aaron Rodgers.

PAPA JOHNS BOWL I (2011):

DEAD BIRDS win the inaugural Papa John's Bowl

Dead Birds defeat Baby Centipedes

Aaron Rodgers & Michael Bush tried to rally the BABY CENTIPEDES late ... but big days from MVP Antonio Gates, Larry Fitzgerald, Mason Crosby & the Lions D/ST helped the DEAD BIRDS win the inaugural Papa John's Bowl 126-105.
