2016 Cereal Bowl Matchup

Darf Box vs Sky Clouds

First Cereal Bowl & Bowl matchup for Darf Box against Sky Clouds. Both teams finished a disappointing 5-8. Especially tragic for Darf Box as they started 4-0 on top of the standings & hoping to at last make a first playoff appearance. Twasn't so as the Box dropped 6 in a row — including a loss that was won and overturned by stat correction vs Sky Clouds. Darf Box lost 8 of 0 to end the season. They were the only team to lose to 1-12 Favre Dollars & for 12 weeks, the only team to beat 10-2 Dead Birds. And the beat the Sky Clouds — for 3 nights. When the stat-correction came, Darf Box's season was all but over. Sky Clouds were never a good team this season, but the win over Darf Box helped them finish with 3 wins in their final 5 games.

Cereal Bowl History

CEREAL BOWL VI (2016):**Cereal Bowl Goes... To The Clouds!**

First bowl matchup between the Sky Clouds & Darf Box was a tie-breaker match with the all-time series tied 4-4 coming into this Cereal Bowl. The Sky Clouds smashed the Box with an impressive 104-56 win led by Ryan, Matt. Darf Box missed a golden opportunity as their Falcons D/ST scored 28 from the bench.

CEREAL BOWL V (2015):**KFC Pounds Dead Birds; Claims 2nd Cereal Bowl win**

KFC Karaoke v Dead Birds — KFC Karaoke will drink that cereal milk once again as they claim a 2nd Cereal Bowl title. Dead Birds were not up for the challenge as they once again went with too many Cleveland Browns. It wouldn't have mattered tho as KFC put the final nail in the Dead Birds coffin led by Jordan Reed & Allen Hurns. KFC wins 97-64!

CEREAL BOWL IV (2014):**Wet Bandits End Up & Down Year with 2nd Helping of Magic Stars**

Wet Bandits v KFC Karaoke — Wilson & Lynch carry the Bandits to their 2nd taste of Magic Stars. They denied KFC the repeat CB and hold Peyton Manning to just 4 points. Wet Bandits get a second helping as they win the battle of former Cereal Bowl winners 86-68!

CEREAL BOWL III (2013):

KFC: Now Serving Breakfast

KFC Karaoke v It Is GAMETIME — The Karaoke Machine was up to the challenge avenging their only loss to Gametime (earlier this season) by winning those Magic Stars! Phil Rivers scored more than a quarter of the teams points in this low-scoring battle as KFC roll to victory 71 - 68.

CEREAL BOWL II (2012):***Steelers, Not Saints Help Crown D-Bags***

Dade Co Douchebags v Baby Centipedes — Dade Co wins with the help of the Steelers, not Saints as Mike Wallace lifted the D-Bags and the PIT DST let down Thicketburn's Baby Centipedes. A 99-92 Cereal Bowl win for the Douchebags.

CEREAL BOWL I (2011):***Eli Leads Comeback For Team BEER***

Team BEER v Dade Co Douchebags — MVP Eli Manning brought TEAM BEER back late and Dez Bryant's lone reception (50-yd TD) sealed the win. The Dade Co Douchebags had great games from Drew Brees & Laurent Robinson but it wasn't enough as Team BEER finished off comeback late Sunday night & win the Magic Stars 105-98
