KFC Karaoke faces My Ditka Her Butkus in Championship Match

Number 1 seed KFC Karakoe lived up to expectations getting to the Championship match after a 10-win, 1400-point season. This is the highest-scoring team in league history & they're looking to keep the trophy all in the Simon Family. After a well-earned 1st round bye, they did something else no one has ever done in this league — they beat Team BEER in the playoffs!

Their opponent — My Ditka, Her Butkus enters on a hot streak! At one point this year, MDHB was 3-5 and reeling from a loss to the now-departed Cupcakes. It was well-documented that MDHB was winless in 4 trips to the playoffs... until this year. They've rattled off 6 wins in the last 7 games to make & take the playoffs to their limit! Their only loss in the past 7 games? KFC Karaoke in W13 by one point in a matchup that could have eliminated them. This time the loser

will be eliminated and the winner will forever be a Champion!

THE PLAYOFFS END NOW. THE CHRISTMAS STARTS NOW. Get out your Xmas Ales. Fire up that chicken fryer. Big Ben Rosethlisberger vs Dynamite Drew Brees... CHICKEN VS DITKUS — LETS GET A NEW CHAMP!!

CHAMPIONSHIP HIGH NOTES:

- MYD/HBUT reaching for the trophy... KFC CHOP says "not so fast... Katy wants to stay a Simon" — Such different dancing styles but who will be the better fantasy team this season?

- Celebrities weigh in: "YOU BETTER WATCH OUT YOU BETTER NOT CRY KFC AND MIKE DITKA ARE TELLIN YOU WHYYYYY

THE KATY PERRY TROHPY BELT IS COMING TO TOWN!!!" — Bruce Springsteen

Baby Centipedes meets Slick Nicholas in Championship Game

Baby Centipedes take their first playoff trip to the limit against top seed Slick Nichola in Championship Match. Cam Newton is in the league's Championship for the 4th straight time. And he's won them all so far. The Slicks are making their second appearance in the Title Game. Last time losing to Von Bologna just 2 years ago.

The Centipedes are rubbing the Bennett Δ for luck — in fact, a member of the Bennett Δ is making a Championship appearance for the 3rd straight year (won both).

Hot scoring Centipedes scored 120+ each of the past 3 weeks — nearly breaking a playoff record with 144 last week.

Slick Nicks in their 5th straight playoffs, 2nd championship in 3 years. The top seed, with a record-setting 11 wins.

2016 LEAGUE CHAMPIONSHIP:

WINNER, WINNER — KFC CHAMPIONSHIP DINNER!!

KFC 108 - MDHB 82

It was only 5 minutes in when Jordy Nelson scored his 1st TD. By 2p Xmas Eve his 2nd signaled a hot start for KFC. It ended with a swift blow from League MVP David Johnson and his 3 Christmas Eve TDs!! What a comeback year for KFC Karaoke & Jordy Nelson — last year KFC's 4-win season produced a trade for the keeper rights to Jordy Nelson (on IR) from My Ditka Her Butkus for Adrian Peterson. A pivotal moment for MDHB as well... AP led to a 1st-round playoff loss last year ... and although they scraped their way to the Championship this season, the one that got away — Jordy Nelson — showed he's a Championship WR.

2015 LEAGUE CHAMPIONSHIP:

Slick Nicholas Ice Centipedes to Claim the Trophy Belt!

After 5 straight seasons in the playoffs, winning scoring titles and top seeds, the Slick Nicks finally ended the season with that sweet, sweet Championship champagne! Extra "slick" performances by QB Kirk Cousins & the unlikely supporting cast of Allen Robinson, Latavius Murray, & Brandin Cooks helped clinched the Trophy in a 111-74 win over the Baby Centipedes. With the loss, QB Cam Newton ends his run of 3 straight championships and the Centipedes come up just shy in their long awaited first playoffs.

2014 LEAGUE CHAMPIONSHIP:

Team BEER returns to glory!

After a season-long battle for the league's top spot Team BEER returned to the throne with a 93–82 big gulp over Favre Dollars. MVP Ryan Tannehill played his best game of the season leading BEER with 30 points. This victory avenged 1 of just 3 losses on the season for BEER by defeating Favre Dollars. Both team started the season hot at 5-0 but it's Team BEER who is now 5-0 all-time in the playoffs as they secured their 2nd TFC League Championship!

2013 LEAGUE CHAMPIONSHIP:

Von Bologna Loves Championships!

Von Bologna Hates Emo City slices up the Slick Nicks 120-104 to win the Championship! Bologna finishes at a climax with an average score 25 points/game higher in the post-season. They ran into a red-hot Slick Nick team averaging 145/game in the playoffs but Romo, Moreno & Chiefs DST didn't play up to snuff. In the end it was Nick Foles leading Bologna to the prize on Sunday Night after strong performances by DeMarco Murray, Joique Bell & Seahawks DST. Bologna's made it back to the Championship game 3 years after their first trip following 2 Loser Bowls but it's all worth it now as they hoist that perky prize!

2012 LEAGUE CHAMPIONSHIP:

The Year of the Sky Clouds!

Sky Clouds defeat GAMETIME 102-81 to win the league championship. RG3's team-high 15 wasn't enough for GAMETIME as they lose their 2nd straight title game. Another Holiday, another Sky Clouds-GAMETIME matchup. Cam Newton & the Sky Clouds got the best of RG3 & GAMETIME during a Thanksgiving matchup. They met again Christmas weekend for the Championship. Both players scored more than 30 in their first matchup. It was all Sky Clouds the

second time around as Cam Newton got some help from Eric Decker, CJ Spiller & the Rams D/ST to win the Championship.

2011 LEAGUE CHAMPIONSHIP:

Falco Punch Crowned 2011 League Champs!

Falco Punch led by Tom Brady wrapped up the Championship with a 121-88 win over Megatron & The Cupcakes. Even Tebow Time couldn't save the Cupcakes with Stafford and Spiller on the bench for the big game. Falco Punch celebrate with their first Iron Football Championship.

2010 LEAGUE CHAMPIONSHIP:

Team BEER wins Iron Football Championship over brother-rival Emo City!

It was a lot closer than expected as Team BEER won 75-67 to clinch the Championship Tuesday night. Vick rushed in for a 10-yd TD score with 10:17 remaining in the game to secure the Championship for Team BEER.
