Week 8 – Rivalries Renewed

## Rivalry Matchups

### Dead Birds vs Darf Box

**Record: 6-5 Darf Box**

This inter-marital rivalry dates back to the league's inaugural week in 2010. The Dead Birds won the first two, then Darf Box won 2, then Dead Birds won 2, the Darf won 2... Very, very streaky. School kids still tell stories of

how Dead Birds dropped 150 on Darf Box back in 2013. However, Darf Box holds the hardware with the win in PAPA JOHNS BOWL II.

Streak: Darf Box W1

## Baby Centipedes vs Sky Clouds

**Record: 7-4 Centipedes**

Another rivalry dating back to the league's inaugural week in 2010. This rivalry culminated in the 2013 season LOSER BOWL III where the Centipedes literally handed the Sky Clouds the Loser Bowl Soup Can Trophy.

Streak: Sky Clouds W1

## Team BEER vs Emo City Cutters

**Record: 8-3 BEER**

The brother vs brother rivalry dates back to 2010 when the Cutters drew first blood. Since then, Team BEER rattled off 5 straight including the league's first Championship & handing the Cutters the LOSER BOWL II loss (and therefore win). But it was Von Bologna's revenge in Rivalry Week 2014 defeating the undefeated Team BEER.

Streak: BEER W2

## Slick Nicholas vs KFC Karaoke

**Record: 5-5**

Since 2010 Simon vs Simon has always been a close match. Only their first matchup was decided by more than 15 points. Slick Nicholas took the first 3 matchups but KFC Karaoke

has come back to take the next 3 and tie the all-time series until Slicks broke the tie in 2015.

Streak: Slick Nicholas W1

## Dade Co Douchebags vs Then I Found Favre Dollars

**Record: 5-5**

Imitation is a sincere form of flattery but these two teams take it to another level. Their all-time league records are 1-game from being identical; They each made it to the playoffs with 3 combined appearances & zero total wins. They aren't brothers, but they play like they are.

Streak: Bandits W3

## Toledo's Gametime Cupcakes vs Marko Ditka Her Butkus

**Record: 6-3 My Ditka Her Butkus**

It was loathe at first sight ever since Megatron & the Cupcakes entered the league in 2011. The level of trash talking in this rivalry is off the charts. Their previous two battles were decided by a total of 3 points, both won by MDHB to tie & take the series lead. The most recent battle was a 25-point 3-rd win in a row for the Ditzas

Streak: MDHB W1
